

## Statement of Faith

St John's Lutheran Primary School is a Lutheran School and part of a network of schools associated with Lutheran Education VIC, NSW, TAS and ACT Ltd (LEVNT) that are conducted in accordance with the doctrines, beliefs, and principles of the Lutheran Church of Australia. This statement sets out information about the School's beliefs.

The Lutheran Church is the largest Protestant Christian church in the world of which the Lutheran Church of Australia (the Church) is the major group (synod) in Australia and New Zealand.

Lutherans believe that we are saved 'by grace, for Christ's sake, through faith.' In other words, there is nothing we can do to earn God's favour or to gain eternal life. Through His death and resurrection, Jesus Christ has won all this and more for us. We believe that the Bible is divinely inspired, written and inerrant Word of God. We also believe that the Lutheran Confessions, contained in the Book of Concord of 1580, are true expositions of the Word of God. A Lutheran education upholds and affirms the Confessions of the Lutheran Church of Australia, as informed by the Doctrinal Statements and Theological Opinions (DSTOs) issued by the Church. The School adopts LEVNT's statement of faith as an accurate summary of the School's beliefs and how they inform the School's delivery of a Lutheran education to the children and young people entrusted into its care. A copy of LEVNT's statement of faith is available online below. These beliefs inform the School's mission, values, and vision.

The School plays an integral part in the mission of the Church. Through the School, the Church deliberately and intentionally bears Christian witness to students, parents, teachers, friends and all who make up the community of the School. The School offers a Lutheran education to all, regardless of ethnicity, gender, gender identity, religion, sexual orientation, ability, or disability, provided that they and their families undertake to support willingly and freely the purposes of the School. The School welcomes employees who do not share the Lutheran faith as this presents an opportunity for the gospel of Christ to be shared, and the Church extended. Nonetheless, the School requires all who teach in or administer its affairs to carry out their responsibilities and duties in accordance with the Confessions of the Lutheran Church of Australia as informed by the DSTOs, and LEVNT's statement of faith. The School also requires staff to avoid conduct which may cause injury to the religious susceptibilities of followers of the Lutheran faith.
